

School To School Support

The Teaching School has its own aims and vision which sets out how we work and what we aim to achieve. The following extracts from the aim and vision statements apply specifically to the School – to school support offers:

- We work with our partners for the common good
- We look to work positively, capturing what's good and building upon it
- We share a passion to make a lasting difference
- We will provide new opportunities and encourage children and adults to try new things.
- We will learn from each other and work together to find solutions which last for the long term
