

**Mr Michael Costello**  
**Chairman**  
**The Williamson Trust**

Michael has worked for Kent Police for 44 years, as a Cadet, serving Police Officer until retiring as a Detective Inspector in 2004 and since that date, as an Investigative Coach and Trainer.

He joined The Math School Governing Body in 2000 and became its Chair in 2005. He stepped down from that role in 2016.

Michael is one of the original Members and Directors of The Williamson Trust and has been Chair from that date.

In 2012 Michael was appointed one of the country's first National Leaders of Governance.

He also sits on the Governing Body of St James C of E Primary Academy at Grain.

Michael is married with 2 daughters and 3 grandsons.

He enjoys supporting Gillingham Football Club, most sports (now as a spectator), the Theatre and Music, but enjoys nothing more than seeing our children in Trust Schools enjoying their learning and attending their many 'events'.
